Another Place
Another Place

I walk
into what light
there is

not enough for blindness
or clear sight
of what is to come

yet I see
the water
the single boat
the man standing

he is not someone I know

this is another place
what light there is
spreads like a net
over nothing

what is to come
has come to this
before

this is the mirror
in which pain is asleep
this is the country
nobody visits.
